Jim,

Congratulations on an amazing first year Radiothon for the kids of Topeka! For one radio station raising over \$94,000 for their local Children's Miracle Network hospital (St. Francis) in just three days is simply unbelievable. On average, markets your size have raised anywhere from \$30,000 to \$50,000 their first year. Yes, the number is important and wonderful, but what is even greater is the three days of amazing radio that the community of Topeka heard. The lives that were touched and the strength of the bond you have with your listeners are immeasurable. There should not be a person left that doubts the power of radio or the power of Country Legends 106.9.

I want to convey to you how impressed I was by Chris, Lani, Marlana, and Newman. It was their talent that got it done. We work with almost 300 radio stations in North America and now Europe, but the talent doesn't always do what yours did. It is a true testament as to the power of each of their shows. This is also reflective of the management that is in place there — you all deserve a pat on the back!

We knew we picked a winning team when we decided to partner with you, especially being the number one station in Topeka. Country Legends, however broke records. Radio REALLY DOES get results! Thank you for your commitment to Children's Miracle Network and St. Francis in Topeka.

Warmly,

Jim Littrell

Dear Jim and Staff:

The American Cancer Society would like to thank you all for your support of the recent "Couture for Cancer" event in Topeka. This third annual fund-raiser made more than \$55,000 for the Society's research, education, advocacy and patient services, which is more than \$20,000 over last year's event proceeds!

Country Legends aired public service announcements about Couture for Cancer. Plus, you invited us to speak about the event live on the morning show with Chris and Lath. We know your support is a big part of our success, because many attendees and sponsors mentioned hearing the information on your station!

Again, thank you for helping us promote this event. We truly appreciate your help in the fight against cancer!

Sincerely,

q .
